Projects searched – are you interested in participating in other EU projects as a partner?

Yes / no	Yes
Which kind of projects are you looking for?	<p>Creative Europe Platforms</p> <p>While Sunomono (sunomonofilms.com) is a long-established audiovisual production company based in Barcelona, Spain, its members have a keen interest in the discovery and dissemination of emerging artists.</p> <p>Its director, Albert Verges (albertverges.com) is a Catalan artistic producer who uses digital codes to dislocate the public space with social messages. In this line of art as a political tool, the Sunomono team wants to participate in proposals capable of generating conversations between emerging European visual artists who, through their work, make a critique of contemporary issues such as climate change, gentrification and rural culture.</p> <p>Thanks to our expertise in visual design, audiovisual editing and event production, we are ideal partners to implement European platform projects both digitally and physically.</p>
