Creative Europe

Creative Europe is the European Commission's programme for providing support to the culture and audiovisual sectors.

Following on from the previous Creative Europe programme, Creative Europe will keep supporting the European cultural and creative sectors for the period 2021-2027. The Programme builds on and continues the structure of the previous programme with three strands – “CULTURE”, which covers cultural and creative sectors with the exception of the audiovisual sector; “MEDIA”, which covers the audiovisual sector; and the “CROSS-SECTORAL strand”, which covers activities across all cultural and creative sectors.
