Our publishing house offers comics for children and youth:

Comics for children **aged 0 to 6 – developing educational series about dental care for kids' teeth and oral hygiene - Zoobs.**

We recommend this comic book for children aged 3 and above, however the facts about kids' teeth will be very interesting for parents of babies as well.

Our publishing house offers comics for children and youth:

Comics for children aged 0 to 8 – developing French series about family values, friendship, kindness, and interaction.

NEW!

The comic book is recognized as one of the best for children in France and recommended to be included in the school reading list

Comics for children **aged 3 to 7** – developing educational series about relations in the team, in the society, respect to older people – The Smurfs

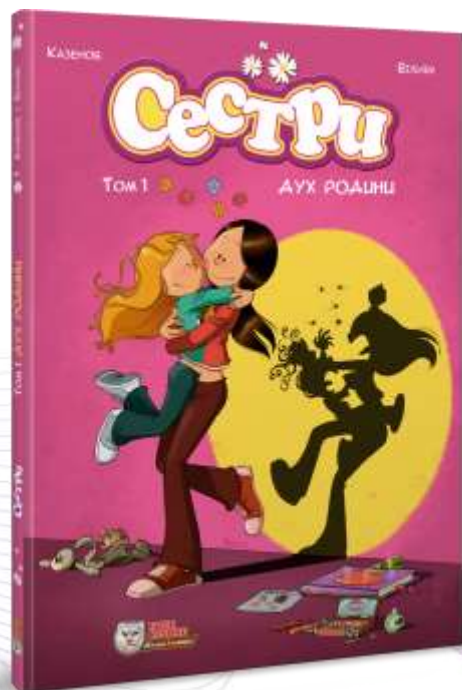

We recommend these comic books for children aged 3 to 7, however older children and their parents also adore reading these books.

Comics for children **aged 7 to 12** about family values - The Sisters. Volume 1: Just Like Family

The comic book is about family values, love, friendship and many other interesting things. Young readers will get acquainted with two wonderful sisters — younger Marine and older Wendy.

Both are full of personality and a strong sense of independence, each standing her ground. The sisters love each other very much, nevertheless sometimes things get difficult for them, so odd situations happen...

Comics for children **aged 7 to 13** - historical and informative **series** about erudite mouse Geronimo Stilton traveling through the time and familiarizing with historical figures and landmarks

We propose to children an interesting way to study history with the help of comics describing adventures of Geronimo Stilton.

Comics for teenagers **aged 14 and above** – economical educational graphic novel – Economix: How Our Economy Works (and Doesn't Work) in Words and Pictures

This graphic novel is for high school and college students and adults, who would like to learn how economy works (and doesn't work).

All our comics are:

- **Hardcover**

Therefore, they are cool as gifts and can be put on bookshelves.

- **Full-colour (apart from Economix) and printed on a high-quality paper**

Therefore, holding them in hands is real pleasure for children.

- **Of convenient size**

Therefore, it is easy to read them and view the pictures for children.

All our comics have:

- Cool heroes renowned throughout the world the kids wish to be like

- Smart plots and teaching stories of developing character, without violence and cruelty

- Series type children can build their own collection of comics

Children love reading comics because of:

1. Many marvelous pictures
2. One can read them again and again
3. Cool characters one would want to be like
4. Amazing plots, constant dynamics, vivid dialogues

Reading comic books is cool!
