

will take place in the Palace of the Commonwealth  
Warsaw, Poland, on 5<sup>th</sup> May 2026, starting at 11:00

- ▶ Who are we raising for the future of our economies and democracies in the age of AI?
- ▶ How can we support parents and caregivers in their role as influencers of young minds?
- ▶ What policies are already in place, and what policies are still needed?

These and other considerations will be at the heart of our esteemed guests' discussions
